

My Cancer Cover

Please note: The purpose of the My Cancer Cover Premium Grid is to allow prospective clients with an **indication** of the monthly premium payable for a specified amount of cover given the prospective clients' gender, age and smoker status. Once prospective clients have determined affordability a **formal quotation** must be requested to **confirm** the actual monthly premium payable for the selected benefit amount.

The maximum amount of cover for My Cancer Cover is R500 000. The minimum premium for My Cancer Cover is R100.00 per month. Therefore, in certain gender and age bands, the maximum amount of cover will be increased to ensure that the minimum monthly premium remains payable.
