

Certificate of Appreciation

Proudly Presented to

The Cancer Association Of South Africa

for their participation on
World Cancer Day, 4 February 2020.

World Cancer Day every **4 February** is the global uniting initiative led by the Union for International Cancer Control. By raising worldwide **awareness**, improving **education** and catalysing personal, collective and government **action**, supporters around the world are working together to unite under one voice to face one of our greatest challenges in history.
