Vision

We work towards a world where people will have the opportunity to shape their own lives.

Mission

To raise as much-needed funds to charities, corporates, schools, churches, individuals and many more by means of an auction of collectable Memorabilia, accommodation (4 & 5 star resorts), ladies hampers, fishing hampers and magnum size (1.5L) bottles of wine with a wide range of labels.

Our ultimate aim is to raise as much funds as possible for the beneficiary.

Our Options to choose from are

Option 1: where the various Memorabilia, Breakaways, hampers and Wine carry an upfront reserve amount and all amounts above this reserve will be paid over to the assigned organisation for which the funds are being raised for.

Option 2: Our cost price is used and all items sold above reserve received, will be paid 70% to Charity and the remaining 30% to Xtreme Auctions.

We provide an auctioneer at no cost and if necessary the MC at your functions can be arranged at your own cost. You have the opportunity to advertise your event on our face book page @XtremeAuc, as this will assist you with more exposure to your event and more 4 ball or ticket entries.
